Oral Presentation Guidelines

Please be informed that there may be slight changes in the program for any reason. So please be available in the meeting room from the conference start time on the day of your presentation.

Plenary presentation duration will be 45-50 minutes including Q/A session, for Keynote 30-35 minutes, and for Featured 20-25 minutes. Please plan your talk accordingly. In order to stay on track of time, please ensure that you start and end your presentation at the times indicated in the schedule.

The working language of the conference is English.

The presentation should be submitted in PDF or PPT format. Be sure your visuals are clear and very legible.

Submit your presentation slides 15 days before the conference and also bring a copy with you on a flash drive or storage device to the event.

Please check and make sure that your presentations are working properly before the session starts.

The meeting room is equipped with a digital projector, screen, laptop, slider with pointer, cordless mike, desktop mike, and basic sound system.

Taking the timelines and technical setup into consideration, using personal laptops is not recommended unless under unavoidable conditions.

Users of Windows/PC should assure compatibility of their presentation with the MAC system used at the lectern.

Poster Presentation Guidelines

All posters will be allotted a poster number in the final program. Presenters must locate their assigned poster display, which will be numbered, and hang their poster 1 hour before the poster session starts. Pasting, or Hanging materials will be provided.

Poster Dimensions: The display area of each poster on the poster board is 1 m wide by 1 m high.

All posters should be prepared in advance and brought to the conference by the presenters.

On-site printing is NOT facilitated; it should be done in advance by the presenter.

Presenters are asked to be available at their posters during the full poster session to discuss their posters with interested viewers.

You need to collect your poster by the end of the day; we dispose of the posters left behind.

Best Poster awards will be decided by the poster judge and announced at the end of the poster session.

Virtual Presentation Guidelines

Virtual Presentation allows participants to present conveniently from their home or work without traveling.

Registered participants will receive the meeting invite with a personalized user ID for webinar access a few days before the event.

Please join the meeting 30 minutes early, to minimize last-minute technical issues.

Plenary presentation duration will be 45-50 minutes including Q/A session, for Keynote 30-35 minutes, and for Featured 20-25 minutes. Please plan your talk accordingly. In order to stay on track of time, please ensure that you start and end your presentation at the times indicated in the program.

If you are a presenter, be ready with your presentation slides open on your device when the meeting starts. You can share that document while sharing your screen.

If you would like to send the recorded presentation instead of attending and presenting online, we recommend you to send the recorded files along with the PowerPoint presentation before 10 days of the event start date

Certification

All the attendees will be provided with a delegate certificate signed by the organizing committee members. Name and affiliation on the certificates will be printed on the certificates, as per our records, for any changes or requests regarding the certification— please contact us before one month of the conference.

Certificates will be provided during the session or after the completion of the session, so please make sure to be present in the hall until the session ends.

An E - certificate will be sent through email in 2-3 working days after the completion of the conference.

Co-authors not registered for the conference, will not receive the certificate.
